

CONFERENCE

"Personalized Innovative Medicine" (PERIMED)

PROGRAMME

5th and 6th December 2023 Plovdiv, Bulgaria, Hotel Puldin COOP

05 December

13:00 – 14:00 Registration

14:00 – 14:30 Opening Ceremony

Rositsa Nikolova, Director of IMC-BAS and member of the PERIMED government board.

PERIMED government board

Congratulations from the official guests

14:30 – 15:00 Lecture *SHIVACHEV Boris*

The laboratory for physicochemical characterization of existing, new and innovative pharmaceutical forms.

15:00 – 15:30 Coffee Break and posters

15:30 – 16:00 Plenary Lecture *TITORENKOVA Rositsa*

Dental apatite and synthetic Ca-phosphate materials: Insights from vibrational spectroscopy

16:00 – 16:30 Lecture *RUSEW Rusi*

Embryonic zeolite precursors as potential drug carriers

16:30– 17:00 Invited Lecture *Theodor Zamfirov, ELTA 90*

17:30- Conference Cocktail - Dinner

06 December

09:30 – 10:00

Plenary Lecture **PETROVA Nadia**

Calorimetry and its application towards dentistry

10:00– 10:20
